|   | Description                      | Action                          |
|---|----------------------------------|---------------------------------|
| \n\n [chorus] \n  | The first occurrence of this     | Memorize the text of the cho-   |
|   | instruction in the lyrics text   | rus for future replacement in   |
|   | is usually followed by the       | lyrics text.                    |
|   | text of the chorus, determined   |                                 |
|   | by the newline character suc-    |                                 |
|   | ceeding the [chorus] tag and     |                                 |
|   | two newline characters an-       |                                 |
|   | nouncing the end of the cho-     |                                 |
|   | rus text.                        |                                 |
| $\label{lem:nn} $$ \n\ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ $  | This instruction is usually fol- | Memorize the text of the cho-   |
|   | lowed by the text of the cho-    | rus for future replacement in   |
|   | rus, determined by the new-      | lyrics text and replace the tag |
|   | line character succeeding the    | with the chorus text, copied    |
|   | [chorus] tag and two new-        | <i>N-I</i> times.               |
|   | line characters announcing       |                                 |
|   | the end of the chorus text. It   |                                 |
|   | also means that the chorus is    |                                 |
|   | repeated N times                 |                                 |
| $\n\ [chorus] \n\n$   | This instruction announces       | Replace the tag with the pre-   |
|   | the presence of the chorus       | viously memorized chorus        |
|   | text in the sang lyrics.         | text.                           |
| $\n[repeat xN] \n\n$  | This instruction is usually      | Identify the text to be re-     |
|   | placed at the end of the         | peated and replace the repeti-  |
|   | part of lyrics text to be re-    | tion tag.                       |
|   | peated. This beginning of        |                                 |
|   | the sequence to be repeated is   |                                 |
|   | marked by two newline char-      |                                 |
|   | acters.                          |                                 |
| $\label{lem:lem:nn} $$ \n\n \end{m_n en } \n\n \end{m_n en } $$ \n\n \end{m_n en } $$ \n\n \end{m_n en } $$ \n\n \n \end{m_n en } $$ \n\n \n \$ | This instruction announces       | Replace the tag with the pre-   |
|   | the presence of the chorus       | viously memorized chorus        |

Identified and created patterns leading to modifications in lyrics text  $\n$  - newline character,  $\n$  - number of repetitions
